Teach English In Mexico

Hola from Operation Serve International (OSI),

We invite you to use your teaching skills and your heart for God's people to bring the Gospel of Jesus Christ to Mexico City. We are seeking anyone with teaching experience or with a heart to teach English as a way to equip the Mexican people and to share God's love with the nations.

OSI exists to mobilize concerned and passionate Christ followers to serve the poor throughout the nations. Our hope is that we may impact people and communities by meeting their needs, so their hearts may be open to their greatest need: the redeeming love of Jesus Christ.

English skills open new doors of opportunity for people in Mexico. Therefore, they are very eager to learn, especially from native English speakers. We desire to offer English classes as a way to share the Gospel and connect people to the local church.

- **Teaching opportunities are available for 2 weeks to 2 months during June and July.**
- **Teach children, teenagers, and adults at beginning or intermediate levels.**
- **Teaching experience and Spanish skills are beneficial, but not required.**

If you are interested in receiving more information or if you have questions, please contact us.

We look forward to hearing from you soon!

Sincerely,

The Operation Serve Team
