

Our Mission

OSI was established in 1983, as a nondenominational organization. The vision of OSI is to motivate and mobilize concerned Christians to reach the poor in places that are under-served. We also aim to strengthen existing ministries in their own presentation of the Gospel. The ministry of OSI is concerned for all people, those who know Christ and those who do not.

Our Partners

OSI partners with a wide range of Christian denominations and affiliations to extend the Kingdom of God on earth. We welcome the participation of anyone that acknowledges the saving grace of Jesus Christ and has the support of his or her pastor and local church.

Our Fields

In addition to Mexico, the Lord has guided OSI to serve in these strategic fields: Egypt, China and the United States. These countries are important links to South America, the Arab world, East Asia and beyond.

Operation Serve International

Internship Program

Is This You?

We are looking for young adults who are passionately following the Lord and seeking His will for their lives. If you feel a call to missions, consider joining us for one month this summer to serve and follow the Lord. Our passion is to see young people living out the call on their lives to be a part of God's plan for reaching all people with the message of redemption through Jesus Christ. *Are you one of these people?*

What's an Intern all About?

Interns assist OSI staff and team members while serving in Mexico City through mobile outreaches. As part of the OSI team, interns have the opportunity to experience the "behind the scenes" work that most team members do not experience! Our short-term teams do outreaches in partnership with local churches in areas of Mexico, D.F. that are impoverished – both physically and spiritually. Through medical, dental, optical services, hair care and children's ministry, thousands of people are served each year with compassion and Christ's love. *Will you answer the call to serve those in Mexico City who do not yet know Him?*
